

CLASSIC WALL PANELS (C)

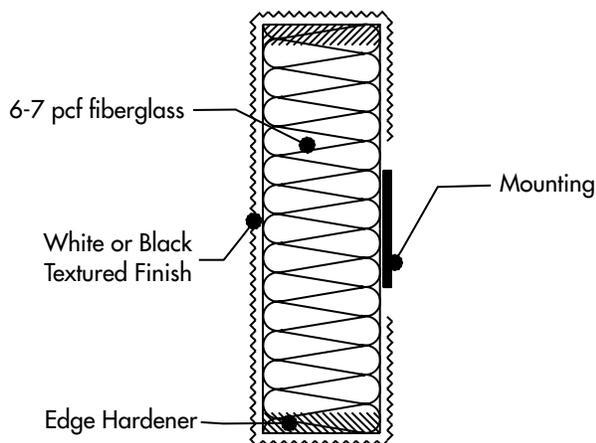

G&S Acoustics' Classic wall panels offer an **inexpensive, classic white and black textured finish** that resembles painted drywall. Giving the appearance of white and black wall panels without the additional cost of paint or fabric, Classic wall panels are covered on the face and all of the edges for a completely finished look. Classic wall panels are only available with a textured white and black finish.

Other products available with a Classic white and black textured finish:
