

Work Worry-Free with aCapella Dividers

aCapella Dividers are high quality, recycled polyester boards that have a tackable surface and are designed for isolating noise and absorbing sound in open office spaces and classrooms. aCapella Dividers can be sanitized with spray disinfectants so you can stay **safe and separate**.

MOUNTING

Dividers can be free standing, or easily mounted onto desks.

Desk Clamp

Divider Stand

COLOR CHOICES

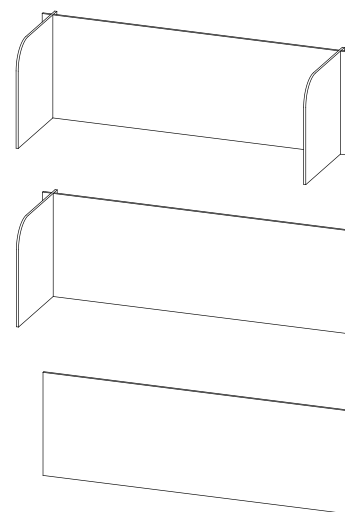

Dividers come in five colors to coordinate with your space: Stone, Fog, Granite, Natural, or Azure.

aCapella Dividers come in three versatile configurations.
