

aCapella Verse Baffles are designed for **isolating noise and absorbing sound in open ceiling** environments such as office spaces, restaurants, lobbies and classrooms. The baffles are spaced at least 3" apart and **hung individually** from existing ceiling grid systems, roof decks or bar joists in open ceiling areas. Verse Baffles come in three designs: Range, Wave and Flat baffle shapes. Custom baffle shapes are also available. Verse Baffles add color with the use of 16 bold and bright color options.

**MOUNTING SYSTEMS**

**SOUND ABSORPTION - IN SABINS**

Hz	125	250	500	1000	2000	4000	N.R.C.

Note: NRC based on J-mount with 12" x 48" Baffles.

**CORE**

1/2" Recycled Polyester

**SIZES**

Custom sizes and shapes up to 9' x 4'

**MOUNTING**

Top Clamp: Cable  
Grip5: CableLock with Cable  
Grip5: Direct Mount

**FINISH**

16 standard colors

**EDGES**

Square

**CLEANING**

Bleach Cleanable (10:1)  
Water-based/Solvent (WS)  
Mold & Fungal Resistant (ASTM C1338)

**FLAMMABILITY**

All components have a Class "A" rating per ASTM E84

**COLORS**

**STANDARD SHAPES**

Custom shapes are available.
