

# LEED CERTIFICATION PRODUCTS

Recycled Content		
Product Core	Pre-Consumer	Post-Consumer
aCapella (P)	60%	0%
Accent baffles (F)	27%	34%
Acousti-Felt (F)	27%	34%
AIP (F) Acousti-Impact Panel	27%	34%
AP (F) Acousti-Panel	27%	34%
APC (F) Acousti-Panel Ceiling	27%	34%
ATF (F) Acousti-Tack	27%	34%
ATFC (F) Acousti-Tack Ceiling	27%	34%
ATM (M) Acousti-Tack with Micore	20%	32%
AW (F) Acousti-Wedge	27%	34%
BA-Fabric (F) Fabric Baffles	27%	34%
C (F) Classic	27%	34%
CC (F) Classic Ceiling	27%	34%
Classic Black Ceiling (F)	27%	34%
CP (F) Classic Plus	27%	34%
CPC (F) Classic Plus Ceiling	27%	34%
GeoDesign (F)	27%	34%
GeoDesign Ridge (F)	27%	34%
LFA (F) Low Frequency Absorber	27%	34%
Melody (P)	40%	0%
MP (F) Mosaic Panel	27%	34%
Pinta (F)	27%	34%
Pinta Ceiling (F)	27%	34%
Pinta Ceiling Plus (F)	27%	34%
RAD (F) Random Absorption Diffusion Panel	27%	34%
Resolute (F)	27%	34%
Resolute Plus (F)	27%	34%
SAE (F) Sound Absorption Equalizer	27%	34%
SC- Pinta (F) Serenade Cloud - Pinta	27%	34%
SC- Classic (F) Serenade Cloud - Classic	27%	34%
SC- Fabric (F) Serenade Cloud - Fabric	27%	34%
Seamless Bottom Baffle (F)	27%	34%
Serenade Cloud Classic Black (F)	27%	34%
Silent Night (F)	27%	34%
Silent Night Ceiling (F)	27%	34%
SWC-Pinta (F) SoundWave Cloud - Pinta	27%	34%
SWC-Fabric (F) SoundWave Cloud - Fabric	27%	34%
TW (M) Tackable Wall Panels	18%	32%

## Under “Material & Resources” Credit 4.1, “Recycled Content”

- **Fiberglass (F)** substrate carries the SCS Certification for recycled content with a minimum 61% total recycled content. See chart to the left for product core percentages.
- **Polyester core (P)** panels are recycled #PET bottles. See chart for aCapella and Melody core percentages.
- **Mineral Fiber Board (M)** substrate, panels have 18% post-consumer and 32% pre-consumer content.
- **Diffusers/Reflections** 100% Recyclable
- **Guilford 2100** and Guilford Anchorage fabrics are 100% recycled content. Other recycled fabrics are also available.

## Indoor Environmental Air Quality pass CDPH requirements - GreenGuard certified

- Diffusers, Reflections
- Resolute, Resolute Plus, RS Reflect – Face layer
- ecoCooustic Core
- Mineral Fiber Board
- Melody Core

## Environmental Product Declaration (EPD)

- Melody Core

## Under “Material & Resources” Credit 5.1/5.2, “Regional Materials”

- Manufactured in St Louis, MO

## Under “Innovation & Design Process” ID1-1.4 and using the title “Acoustical Performance”

- Points are given for all G&S Acoustics Acoustical Performance products

## Other Green Issues to Consider: Regarding “Material & Resources” Credit 2.1 and 2.2, “Construction Waste Management”

- G&S Acoustics acoustical panels create very little job site waste due to the customization done to meet the customer’s needs.

**CONTROLLING SOUND BEAUTIFULLY**
