

Melody mScores are **recycled polyester, sound-absorbing wall panels**, which feature full wall applications, shape clusters, and individual shapes. Melody mScores create an acoustically comfortable environment. Melody mScores are tackable, and come in six standard shapes. A wide variety of custom shapes are offered. mScores are available in 5 colors, White in 1" and 2" thick. Colors Black, Silver, Pewter and Khaki are available in 1" thick only.
