

aCapella Chorus Baffles are a ceiling baffle system **suspended in a group** of panels that provides noise reduction and design elements for open ceilings. Chorus Baffles are grouped from an aluminum tubing structure for easy hanging. Chorus Baffles are supplied in 16 colors and feature three designs, Range, Wave and Flat baffle shapes. Custom baffle shapes are also available. Perfect for use in offices, restaurants or event spaces, Chorus Baffles add design to any ceiling.

**MOUNTING**

**SOUND ABSORPTION - IN SABINS**
