Melody AND OUR ENVIRONMENT

Go beyond expectations with Melody by G&S Acoustics. We have taken the concept of upcycling and combined it with our knowledge of sound control to create a product that offers a wide range of design and applications. Melody cores are made from recycled PET bottles to create superior acoustic materials. By specifying Melody acoustical products, you have chosen an eco-friendly alternative for sound control.

- **Mold and fungal resistant per ASTM C1338**
- **Bleach Cleanable (10:1)**
- **Superior Hospital and Indoor Pool Product**
- **All components Class A Fire Rated per ASTM E84**
- **Uses 40% post-consumer waste from Recycled #PET bottles**
- **Finishes: White Polyester, Fabric Wrapped, Painted, or Felt**
- **Core Colors: White, Black, Khaki, Pewter, or Silver**
- **Sound Absorptive .70 to 1.45 NRC**
- **Weight: 1", .56 lbs. and 2", .8 lbs. per sq ft**
- **Density: 1", 7 pcf and 2", 5 pcf**
- **Custom sizes and shapes up to 4' x 8'**
- **1" (25.4 mm) and 2" (50.8 mm) Acoustical Polyester Board**

ACOUSTIC DESIGN IS MUSIC TO OUR EARS.

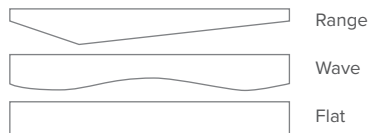

Melody mFLOATS

Melody mFloats are **recycled polyester, custom shaped, sound-absorbing ceiling clouds**. mFloats can hang from ceilings at any angle. Angles are determined on design and desired acoustical effect. Melody mFloats are available in five different colors, painted, or fabric covered in 1" or 2" thicknesses. mFloats are available in all standard shapes shown below and custom shapes. Custom shapes are available up to 4' x 8'.

Melody mVERSE

Melody mVerse are **recycled polyester** sound absorbing **baffles**. mVerse baffles are spaced at least 3" apart and hung **individually** from existing ceiling grid systems, roof decks, or bar joists in open ceiling areas. Melody mVerse baffles are available in five different colors or felt covered in 1" thickness. mVerse baffles are available in the three designs shown below. Custom baffle shapes are also available up to 8' x 2'.

Melody mSCORES

Melody mScores are **recycled polyester, sound-absorbing wall panels**, which feature full wall applications, shape clusters, and individual shapes. mScores are available in five different colors, painted, fabric covered, or felt covered in 1" or 2" thicknesses. Melody mScores are available in all standard shapes shown below. Custom shapes are available up to 4' x 8'.

Melody mTILES

Melody mTiles are **recycled polyester, sound-absorbing ceiling tiles**. Available in five different colors, painted, or fabric covered in 1" or 2" thicknesses. mTiles can be installed in a variety of ways, including lay-in grids, direct applied with mechanical fasteners or adhesive. Maximum sizes vary by mounting type, custom shapes available up to 4' x 8'.

Custom Shapes and Sizes

Melody Polyester Core Colors:

White Black Silver Pewter Khaki

**Due to the recycled content, natural color variations may occur between panels*

***Harmony in design
and intention....***
