

Melody

mVerse-Felt (MVFB)
 Baffles

Melody mVerse-Felt are **recycled polyester, sound-absorbing baffles** with exposed edges. mVerse-Felt baffles are spaced at least 3” apart and hung **individually** from existing ceiling grid systems, roof decks or bar joists in open ceiling areas. Melody mVerse-Felt baffles are available in 20 mFelt colors, 5 core colors and three designs: Range, Wave and Flat. Custom baffle shapes are also available.
